

**Activity 2: Look, read and answer. P. 33**

**David:** Hi, Meg! What a lovely rabbit!

**Meg:** Yes, it's so funny!

**David:** Look! The puppy is not feeling well.

**David:** Oh, oh! Poor little thing! Look, there is Tom.

**David:** He's buying a wheel for his hamster. It's so cute and small.

**Meg:** David, look at the little kitten!

**David:** It's so furry! I like the vet's parrot! It's very talkative.

**The vet:** Hi, Annie. What's the matter with Doggie?

**Annie:** I think he has a problem in his leg.

**The vet:** Let's see... Mmm. I'll take an X-ray. Well, it is a broken leg. The dog's leg needs a cast and he must take these pills for the pain. You must give Doggie fresh water and you must feed him with this special dog food. You mustn't give him any sweets or cookies.

**Annie:** OK. Must I bring him back?

**The vet:** Yes, Annie. You must bring Doggie to the clinic next week. I want to see how he's doing. You must take care of him.

**Annie:** Thank you so much. See you next week!
